

APPLICATION No. 271

PERMIT No. 91

LICENSE No. 23

## CALIFORNIA STATE WATER COMMISSION

THIS IS TO CERTIFY, That The City of Los Angeles Playground Commission  
 of Los Angeles, State of California, has made proof  
 to the satisfaction of the STATE WATER COMMISSION of California of a right to the use of the waters of  
Seeley Creek, a tributary of Mojave River

for the purpose of agricultural and domestic use under Permit No. 91 of the  
 State Water Commission; and that said right to the use of said waters has been perfected in accordance with the laws  
 of California, the rules and regulations of the State Water Commission and the terms of said permit, and duly  
 confirmed by order of the STATE WATER COMMISSION of California, made and entered of record in the minutes

of said Commission, at San Francisco, in Volume 1, at page 273, on the 6th day of November 1917;

that the priority of the right hereby confirmed dates from 29th day of March 1916; that the amount  
 of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount  
 actually beneficially used for said purposes, and shall not exceed four-hundredths cubic ~~foot~~ foot per second, to be  
 used from about May 1st to about October 15th of each year.

A description of the lands or the place where such water is put to beneficial use is as follows:

on land controlled by the City of Los Angeles Playground Commission  
located mainly in the W $\frac{1}{2}$  W $\frac{1}{2}$  of SE $\frac{1}{4}$  and the E $\frac{1}{2}$  E $\frac{1}{2}$  of SW $\frac{1}{4}$  of Sec. 16  
T. 2 N., R. 4 W., S. B. M.

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein  
 described.

This license is granted and said appropriator takes all rights herein mentioned subject to the terms and conditions  
 set forth in Section 20 of the Water Commission Act which is as follows:

SEC. 20. All permits and licenses for the appropriation of water shall be under the terms and conditions of this act, and shall be effective  
 for such time as the water actually appropriated under such permits and licenses shall actually be used for the useful and beneficial purpose  
 for which said water was appropriated, but no longer; and every such permit or license shall include the enumeration of conditions  
 therein which in substance shall include all of the provisions of this section and likewise the statement that any appropriator of water,  
 to whom said permit or license may be issued, shall take the same subject to such conditions as therein expressed; provided, that at  
 any time after the expiration of twenty years after the granting of a license, the state or any city, city and county, municipal  
 water district, irrigation district, lighting district, or any political subdivision of the state shall have the right to purchase the works  
 and property occupied and used under said license and the works built or constructed for the enjoyment of the rights granted under  
 said license; and in the event that the said state, city, city and county, municipal water district, irrigation district, lighting district or  
 political subdivision of the state so desiring to purchase and the said owner of said works and property can not agree upon said pur-  
 chase price, said price shall be determined in such manner as is now or may hereafter be determined in eminent domain proceedings. If it  
 shall appear to the state water commission at any time after a permit or license is issued as in this act provided that the permittee, or licensee,  
 or the heirs, successors, or assigns, of said permittee or licensee, has not put the water granted under said permit or license to the useful or  
 beneficial purpose for which the permit or license was granted, or that the permittee or licensee, or the heirs, successors, or assigns of said  
 permittee or licensee, has ceased to put said water to such useful or beneficial purpose, or that the permittee or licensee, or the heirs, suc-  
 cessors or assigns of said permittee or licensee, has failed to observe any of the terms and conditions in the permit or license as issued, then and in  
 that case the said commission, after due notice to the permittee, licensee, or the heirs, successors or assigns of such permittee or licensee, and  
 a hearing thereon, may revoke said permit or license and declare the water to be unappropriated and open to further appropriation in accord-  
 ance with the terms of this act. The findings and declaration of said commission shall be deemed to be prima facie correct until modified or  
 set aside by a court of competent jurisdiction; provided, that any action brought so to modify or set aside such finding or declaration must be  
 commenced within thirty days after the service of notice of said revocation on said permittee or licensee, his heirs, successors or assigns. And  
 every licensee or permittee under the provisions of this act if he accepts such permit or license shall accept the same under the conditions  
 precedent that no value whatsoever in excess of the actual amount paid to the state therefor shall at any time be assigned to or claimed for  
 any permit or license granted or issued under the provisions of this act, or for any rights granted or acquired under the provisions of this  
 act, in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any permittee  
 or licensee, his heirs, successors or assigns or by the holder of any rights granted or acquired under the provisions of this act, or in respect to  
 any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the state or any city, city and  
 county, municipal water district, irrigation district, lighting district or any political subdivision of the state, of the rights and property of  
 any permittee or licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this act. The application for a  
 permit by municipalities for the use of water for said municipalities or the inhabitants thereof for domestic purposes shall be considered first in  
 right, irrespective of whether they are first in time; provided, however, that such application for a permit or the granting thereafter of per-  
 mission to any municipality to appropriate waters, shall not authorize the appropriation of any water for other than municipal purposes;  
 and providing, further, that where permission to appropriate is granted by the state water commission to any municipality for any quantity of  
 water in excess of the existing municipal needs therefor, that pending the application of the entire appropriation permitted, the state water  
 commission shall have the power to issue permits for the temporary appropriation of the excess of such permitted appropriation over and  
 above the quantity being applied from time to time by such municipality; and providing, further, that in lieu of the granting of such tem-  
 porary permits for appropriation, the state water commission may authorize such municipality to become as to such surplus a public utility,  
 subject to the jurisdiction and control of the railroad commission of the State of California for such period or periods from and after the date  
 of the issuance of such permission to appropriate, as may be allowed for the application to municipal uses of the entire appropriation per-  
 mitted; and provided, further, that when such municipality shall desire to use the additional water granted in its said application it may do  
 so upon making just compensation for the facilities for taking, conveying and storing such additional water rendered valueless for said pur-  
 poses, to the person, firm or corporation which constructed said facilities for the temporary use of said excess waters, and which compensa-  
 tion, if not agreed upon between the municipality and said person, firm or corporation, may be determined in the manner provided by law  
 for determining the value of property taken by and through eminent domain proceedings.

WITNESS the seal and signature of the STATE WATER COMMISSION, affixed this

13th day of November, 1917.

## CALIFORNIA STATE WATER COMMISSION

THIS IS TO CERTIFY, That CHARLES H. COBB and CARRIE B. COBBof Altadena, State of California, has made proof  
to the satisfaction of the STATE WATER COMMISSION of California of a right to the use of the waters of  
Los Flores Canyon, a tributary of San Gabriel Riverfor the purpose of agricultural and domestic use under Permit No. 220 of the  
State Water Commission; and that said right to the use of said waters has been perfected in accordance with the laws  
of California, the rules and regulations of the State Water Commission and the terms of said permit, and duly  
confirmed by order of the STATE WATER COMMISSION of California, made and entered of record in the minutesof said Commission, at San Francisco, in Volume II, at page 29, on the 27th day of February, 1918;  
1916that the priority of the right hereby confirmed dates from the 28th day of August; that the amount  
of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount  
actually beneficially used for said purposes, and shall not exceed nine-fortieths (9/40) cubic feet per second, to beused from about May 15th to about December 15th of each year.

A description of the lands or the place where such water is put to beneficial use is as follows:

On Eighteen (18) acres in Lot 3 of Sec. 3, T. 1 N., R. 12 W., S.B.M.The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein  
described.This license is granted and said appropriator takes all rights herein mentioned subject to the terms and conditions  
set forth in Section 20 of the Water Commission Act which is as follows:

Sec. 20. All permits and licenses for the appropriation of water shall be under the terms and conditions of this act, and shall be effective for such time as the water actually appropriated under such permits and licenses shall actually be used for the useful and beneficial purpose for which said water was appropriated, but no longer; and every such permit or license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this section and likewise the statement that any appropriator of water, to whom said permit or license may be issued, shall take the same subject to such conditions as therein expressed; provided, that at any time after the expiration of twenty years after the granting of a license, the state or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the state shall have the right to purchase the works and property occupied and used under said license and the works built or constructed for the enjoyment of the rights granted under said license; and in the event that, the said state, city, city and county, municipal water district, irrigation district, lighting district or political subdivision of the state so desiring to purchase and the said owner of said works and property can not agree upon said purchase price, said price shall be determined in such manner as is now or may hereafter be determined in eminent domain proceedings. If it shall appear to the state water commission at any time after a permit or license is issued as in this act provided that the permittee, or licensee, or the heirs, successors, or assigns, of said permittee or licensee, has not put the water granted under said permit or license to the useful or beneficial purpose for which the permit or license was granted, or that the permittee or licensee, or the heirs, successors, or assigns of said permittee or licensee, has used to put said water to such useful or beneficial purpose, or that the permittee or licensee, or the heirs, successors or assigns of said permittee or licensee, has failed to observe any of the terms and conditions in the permit or license as issued, then and in that case the said commission, after due notice to the permittee, licensee, or the heirs, successors or assigns of such permittee or licensee, and a hearing thereon, may revoke said permit or license and declare the water to be unappropriated and open to further appropriation in accordance with the terms of this act. The findings and declaration of said commission shall be deemed to be prima facie correct until modified or set aside by a court of competent jurisdiction; provided, that any action brought so to modify or set aside such finding or declaration must be commenced within thirty days after the service of notice of said revocation on said permittee or licensee, his heirs, successors or assigns. And every licensee or permittee under the provisions of this act if he accepts such permit or license shall accept the same under the conditions precedent that no value whatsoever in excess of the actual amount paid to the state therefor shall at any time be assigned to or claimed for any permit or license granted or issued under the provisions of this act, or for any rights granted or acquired under the provisions of this act, in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any permittee or licensee, his heirs, successors or assigns or by the holder of any rights granted or acquired under the provisions of this act, or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the state or any city, city and county, municipal water district, irrigation district, lighting district or any political subdivision of the state, of the rights and property of any permittee or licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this act. The application for a permit by municipalities for the use of water for said municipalities or the inhabitants thereof for domestic purposes shall be considered first in right, irrespective of whether they are first in time; provided, however, that such application for a permit or the granting thereafter of permission to any municipality to appropriate waters, shall not authorize the appropriation of any water for other than municipal purposes; and providing, further, that where permission to appropriate is granted by the state water commission to any municipality for any quantity of water in excess of the existing municipal needs therefor, that pending the application of the entire appropriation permitted, the state water commission shall have the power to issue permits for the temporary appropriation of the excess of such permitted appropriation over and above the quantity being applied from time to time by such municipality; and providing, further, that in lieu of the granting of such temporary permits for appropriation, the state water commission may authorize such municipality to become as to such surplus a public utility, subject to the jurisdiction and control of the railroad commission of the State of California for such period or periods from and after the date of the issuance of such permission to appropriate, as may be allowed for the application to municipal uses of the entire appropriation permitted; and providing, further, that when such municipality shall desire to use the additional water granted in its said application it may do so upon making just compensation for the facilities for taking, conveying and storing such additional water rendered valueless for said purposes, to the person, firm or corporation which constructed said facilities for the temporary use of said excess waters, and which compensation, if not agreed upon between the municipality and said person, firm or corporation, may be determined in the manner provided by law for determining the value of property taken by and through eminent domain proceedings.
